

Weddings at The Stalls

YOUR DAY, YOUR WAY.

Instead of following tradition, we believe your wedding should reflect who you are. From drinks in the private courtyard to long-table dining beneath our illuminated stretch tent, before dancing the night away in our beautifully restored historic barn, every part of the day flows effortlessly in one beautiful setting.

By hosting only a select number of weddings each year, we're able to provide a truly personal experience, giving every couple our complete attention from beginning to end. From your first visit to the last dance, our experienced team quietly takes care of every detail, allowing you to relax, celebrate and simply enjoy the day.

The Wedding Barn

Built in 1710 and beautifully restored, The Wedding Barn is the heart of every celebration. Rich in history yet thoughtfully reimaged, it blends rustic character with modern elegance to create a space that feels both warm and refined.

Soaring Douglas Fir beams, polished concrete floors and original stone walls create a striking backdrop, while bi-folding glass doors open onto the private courtyard, seamlessly connecting indoor and outdoor celebrations against the picturesque setting of Strang Manor Farm.

Fully Licensed Wedding Venue

YOUR ENTIRE DAY, ONE VENUE

There's no need to travel between locations. Your ceremony, drinks reception, wedding breakfast and evening celebration all flow effortlessly in one beautiful setting. Your dedicated wedding coordinator works closely with registrars and suppliers behind the scenes, allowing you to relax and enjoy every moment of your day.

The Celebration

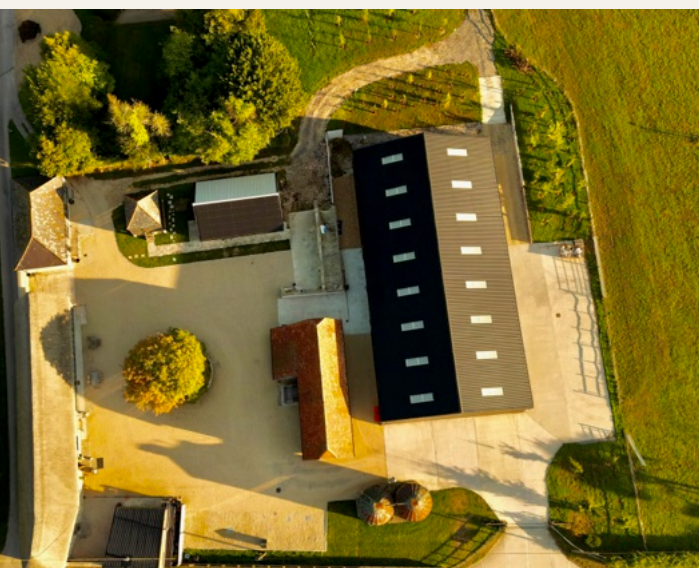

As your ceremony comes to a close, the celebration naturally flows into the private courtyard, where guests enjoy drinks before gathering beneath our beautifully illuminated stretch tent for long-table dining.

As evening falls, the barn transforms into a dedicated dance floor with a fully stocked bar, creating the perfect atmosphere to celebrate late into the night.

Surrounded by sweeping countryside views and unforgettable golden-hour light, every part of your wedding flows effortlessly in one unforgettable setting.

Wedding Coordination

With extensive experience coordinating weddings, Maggie brings a calm, thoughtful and highly personal approach to every celebration. To ensure every couple receives the time, attention and care they deserve, we intentionally limit the number of weddings we host each year.

From your first viewing to the final moments of your wedding day, you'll have a dedicated wedding coordinator by your side. Together, we'll bring your vision to life, introduce you to trusted local suppliers, coordinate with your registrar and other professionals, oversee your rehearsal, and quietly manage every detail behind the scenes so everything runs exactly as planned.

Our role is simple: to ensure everything flows seamlessly, allowing you to relax, be fully present with your family and friends, and enjoy every moment of your celebration.

Catering

At The Stalls, our kitchen is at the heart of every celebration. With a fully equipped onsite kitchen, we cater seamlessly for your wedding, whether you're planning an elegant three-course dinner beneath our stretch tent, a relaxed open-fire barbecue, or a stylish evening of canapés and cocktails.

Our team can also look after your Day Two celebrations and the all-important wedding morning breakfast. Think fresh fruit platters, buttery pastries and continental favourites, delivered directly to your accommodation so you can relax and enjoy your morning with family and friends.

Working closely with our team, you'll have complete freedom to create a menu that reflects your tastes and your story. From locally sourced seasonal produce to bespoke dishes created just for you, every menu is thoughtfully prepared and beautifully presented.

With our professional kitchen, experienced team and equipment all on-site, there are no hidden staffing costs, equipment hire fees or unnecessary complications. Just beautifully prepared food, served seamlessly.
